We have compared the above patent with the application as filed and have found an error in the printing of the patent. Patentee requests that the enclosed Certificate of Correction be issued for the above Patent under authority of 35 U.S.C. §§ 254, 255. The exact column and line number where the errors occur in the patent are listed on the enclosed certificate.

The error that appears in this patent because of Applicant's mistake is clerical, typographical or of a minor character and occurred in good faith, and the correction does not involve changes in the patent so as to represent new matter or to require reexamination.

The Commissioner is authorized to charge payment of the 37 C.F.R. § 1.20(a) certificate of correction fee of \$100.00 to the deposit account of Kenyon & Kenyon, deposit account No. 11-0600. The Commissioner is also authorized to charge any additional fees or credit any overpayment in connection with this paper to Deposit Account No. 11-0600.
